

REMARKS

Claims 24 and 26-28 remain pending in the application, claims 19 and 21-23 being canceled herein.

Allowability of Claims 24 and 26-28

The Applicants thank the Examiner for the indicating that claims 24 and 26-28 are allowed.

35 USC 101 Rejection of Claims 19 and 21-23

The Examiner continues to allege that claims 19 and 21-23 are directed toward non-statutory subject matter as being directed to "software", and that "software fails to fall within at least one of the four categories of patent eligible subject matter recited in 35 U.S.C. 101."

The Applicants continue to respectfully and vehemently disagree.

To permit the allowed claims 24 and 26-28 to issue, claims 19 and 21-23 are canceled from this application.

Applicants respectfully request that the rejection be withdrawn.

Conclusion

All objections and rejections having been addressed, it is respectfully submitted that the subject application is in condition for allowance and a Notice to that effect is earnestly solicited.

Respectfully submitted,

William H. Bollman
